No, a bunch were from Libby's list of locals and then my stuff keeps getting forwarded around to non congs and non-elected and I can't keep a handle on all of it, so I'm pairing my notifications down to congs and elected.

Thanks.

Will make sure they're added. Just out of curiosity, are these folks all affiliated with Congressionals, is that how you got them?

Libby- you and I can talk coordinating/combining lists.

I won't be including these folks in my distributions any longer. I'll just be sending to Congressionals and then Elected Officials.

Libby – Gina's blasts go out after mine, so these guys don't need to get it from me and then her.
